

## Maximo® Comfort

For standard tractors

The entry-level model:  
air-suspended seat with  
attractive price/  
performance ratio.

NEW FABRIC DESIGN

Mechanical lumbar support

Integrated fore/aft  
isolator

Manual weight adjustment

Air suspension with integrated  
12-volt compressor

## MAXIMO® COMFORT

Sets new standards of price/performance in the class of seats with high-quality air suspensions!

- **Manual weight adjustment:** For optimum suspension comfort at the press of a button, thanks to the integrated 12-volt compressor.
- **Fore/aft isolator:** Prevents jolts to the back by attenuating vibrations in the direction of travel.
- **Height adjustment:** The seat adjusts to the driver's height simply by pressing a button.
- **Lumbar support:** Effectively prevents injuries of the spinal disks.
