

Leading in innovation, customer focus and sustainability

Corporate Presentation
2023-04

Our Vision

**Solutions for a
world on the move.**

Our Mission

We deliver what matters.

GRAMMER aims to be the world's leading supplier of seating solutions for commercial vehicles and interior solutions for the automotive industry. Our products set the standard in ergonomics, comfort and sustainability. Customers and partners in the OEM business as well as in the aftermarket perceive us as innovation and quality leader and appreciate the great support we provide.

Innovation

Customer Focus

Sustainability

We make the difference. By our culture.

Sustainability for our future

Corporate governance - Code of conduct for all employees

Innovative and sustainable product solutions

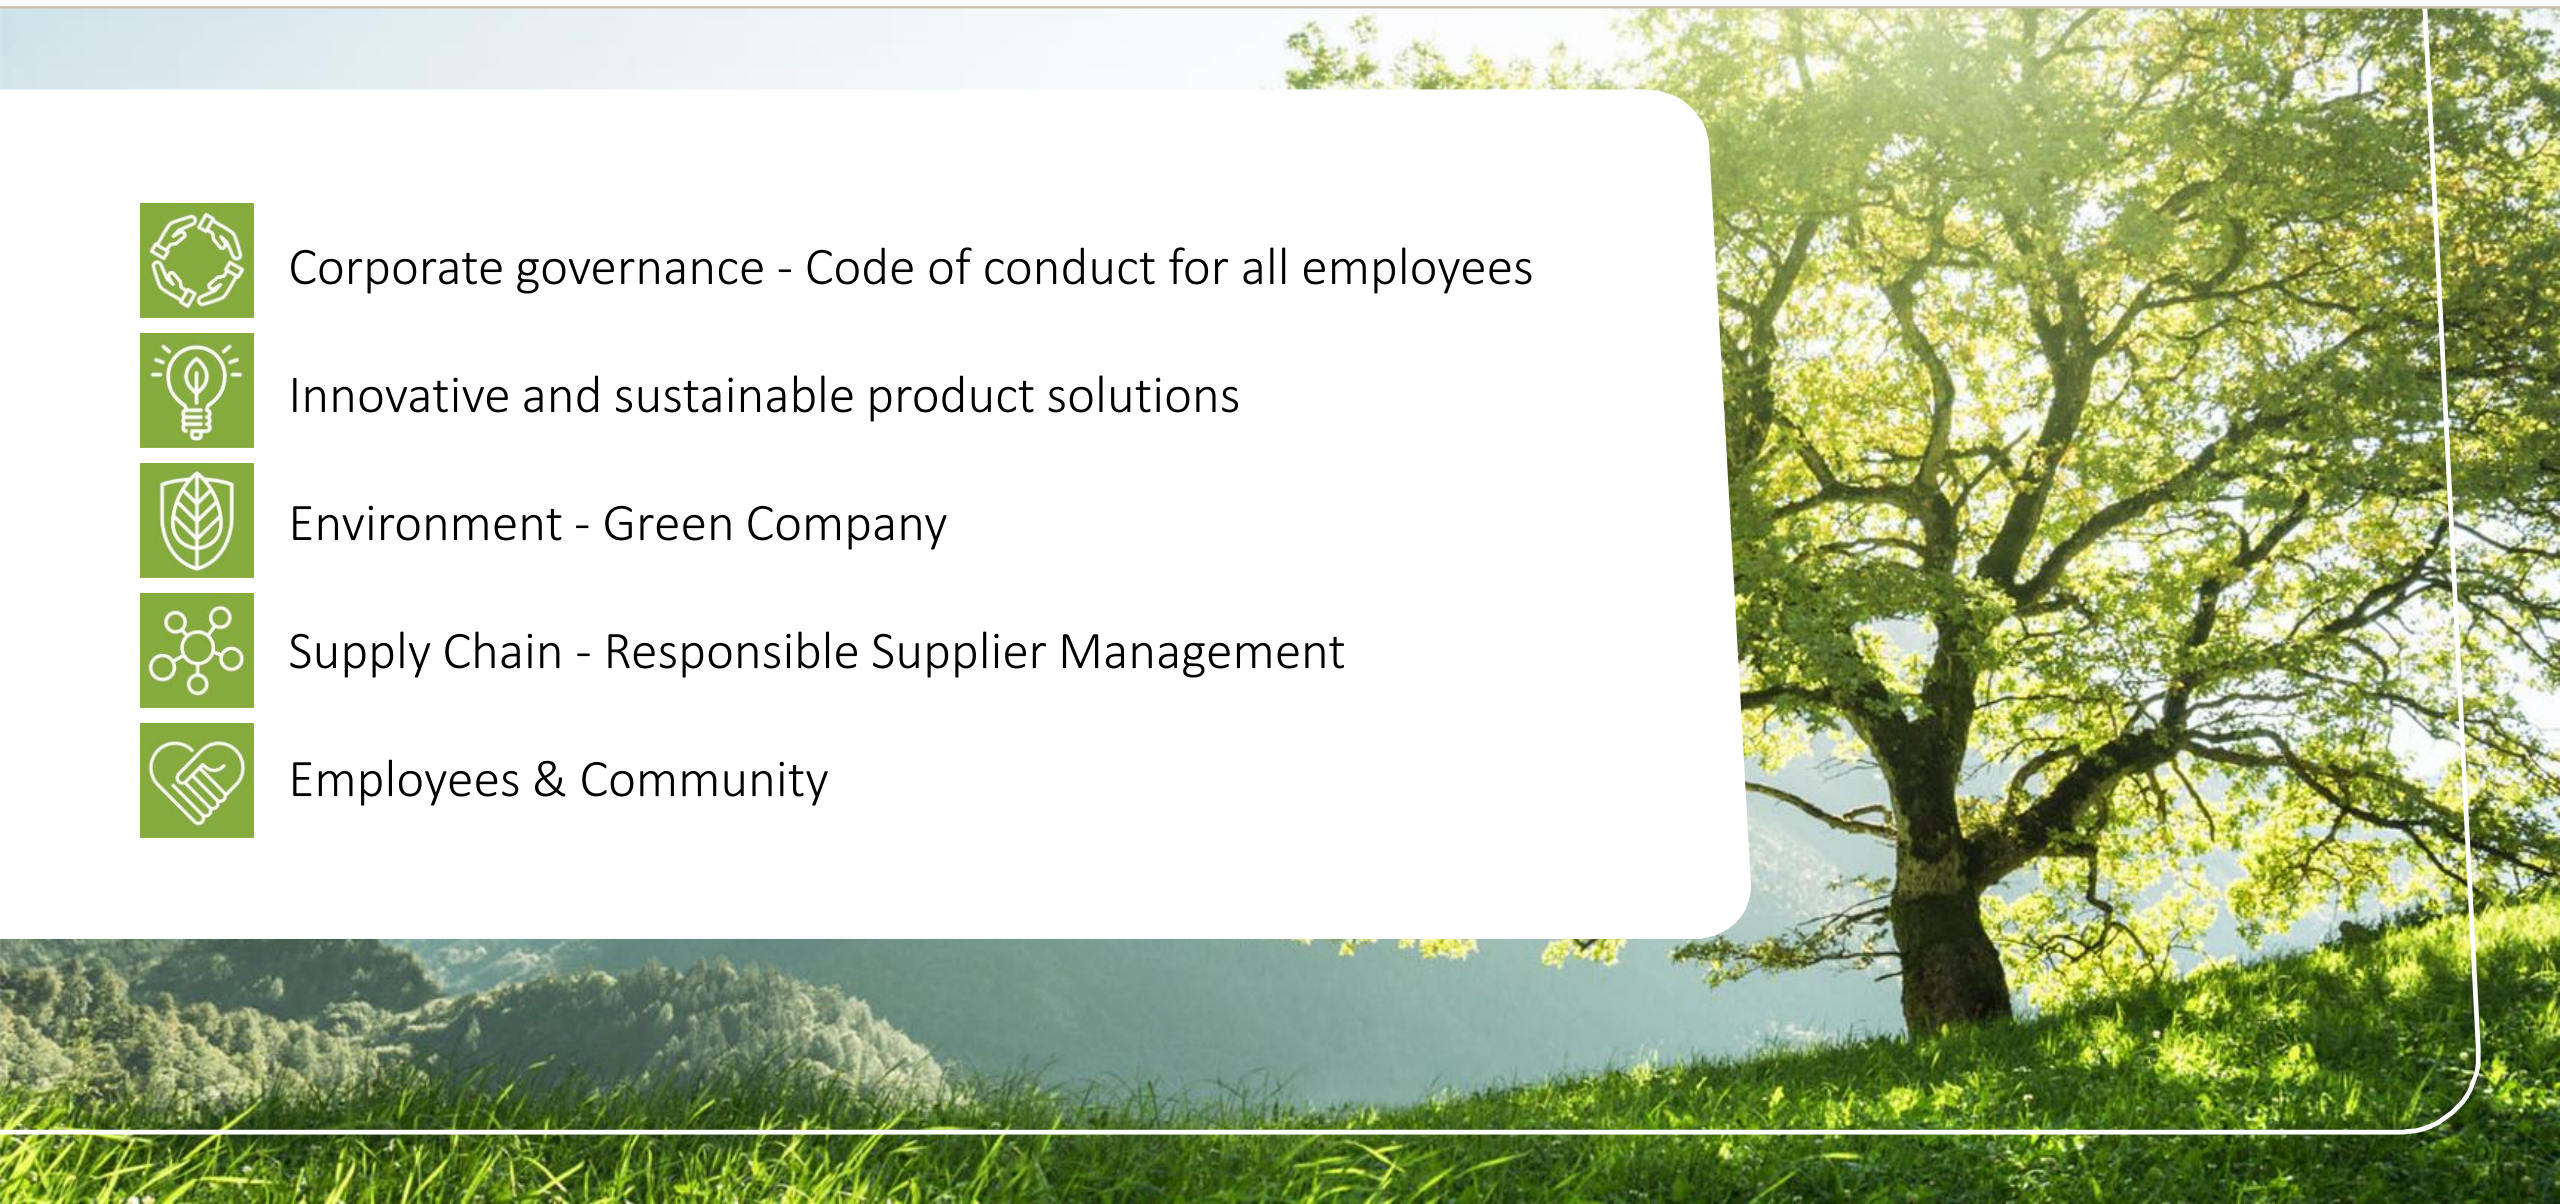

Environment - Green Company

Supply Chain - Responsible Supplier Management

Employees & Community

Sustainability for our future

We aim to achieve the 1.5 degree target of the climate agreement - **CO2 emissions neutrality by 2040.**

Exercise corporate due diligence for **fair working conditions and human rights.**

Diversity & equal opportunities - increase share of women in management positions to 20% by 2030

Measures for 2023

- Use of renewable energies
- Development of sustainable product solutions
- Increase energy and material efficiency
- Waste prevention & recycling
- Promoting responsibility in the supply chain and society

Thank you for your attention.
We deliver what matters.
